Greetings Parents:

Just a reminder the AK Transportation Early Bird Registration period for returning families to reserve student seating for next school year (2019-2020) starts March 16th, 2019 and ends April 30th, 2019. Increased Seat deposit and service fees will go into effect for the new school year.

Our Early Bird Registration campaign for the 2019-2020 school year will launch with parents receiving registration fee invoices, reflecting increased fee, on Wednesday, February 27, 2019.

New fees will be as follows:

Round trip Hub stop service	\$240.00
One-Way Hub stop service	\$210.00
Registration Fee	\$50.00 per student

Students receiving customized service will be notified individually of their service fee increases. Sibling discounts will be available to reduce service fees and registration fee.
